66 Rise up, take courage and do it 99 Ezra 10:4

Dear Parents and Carers,

Hi all,

Tickets for Christmas productions will be available on Arbour - 2 tickets per child. Tickets are £1 and this will include a mince pie and a drink of juice on arrival.

If you can, please try and join us for these events as it makes such a difference to the children.

Dates for your diary

Oh my goodness! There's so much happening, it won't all fit in the usual spot.

Take a look on the next page and make sure you don't miss out on anything that's coming up!

St Mary's CE Academy | Cundy Street, Sheffield, South Yorkshire S6 2WJ

Y5 have been working incredibly hard to make sure they select vocabulary really carefully when writing similes. Mrs Mellow has been so impressed with the high quality of their writing and the super ambitious use of vocabulary. Every single child excelled in this lesson and they should be really proud of their sensational similes!

Nursery & Reception

Colourson Colours

This week, Nursery and Reception have learnt all about colour. In Nursery, the children carried out a science experiment.

They observed a selection of different coloured skittles and watched the colours mix together. In Reception, the children learnt all about mixing primary colours and were able to apply this when painting.

They also practised their mathematical learning by identifying the shapes used in Kadinsky's artwork.

Year1

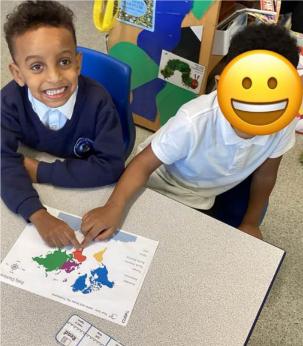

The 7 Continued as

Y1 have been discussing the 7 continents this week. We have even travelled to each one!

We tried to guess where we were and discussed how we knew this.

Awesome work Y1!

Year 3

AN EXCITING SESSION

This week, Y3 made fruit yogurt. It was an exciting session with some children trying new flavours and chopping fruit for the first time.

Our toasted oats even managed to set the school fire alarm off!

At the end of the afternoon, the children were able to take their creations away and taste them at home.

Year 2 have been working hard learning the difference between 2-D and 3-D shapes.

and SI

The children have learnt that not all hexagons and pentagons look the same. In pairs, they grouped different 2-D based on their properties and were able to give reasons for their choices.

ATTENDANCE

95.3%

Well done Y2!

Year 5

Our whole school reporting attendance for

 \square

ATTENDANCE

the week (19th-27th Nov) is 95.3% .

All classes that achieved 96% and above will get an extra 10 minute break.

Year 1 and Year 3 are joint class winners with an amazing 97.5%! They have an extra break and can also choose an extra 10 minute attendance treat... **WELL DONE!**

WELL DONE Year 1&3

Jorvik Centre and Dig Site Trip

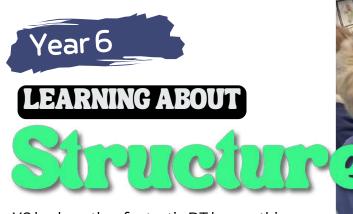

Year 4 have had an amazing visit to York for the Jorvik centre and dig site.

We acted out a Viking saga, dug for artefacts and even went on a ride through a Viking settlement! You represented our school amazingly.

Well done, Year 4!

Y6 had another fantastic DT lesson this week when they used ideas learned in the previous lesson to improve their ideas.

They brainstormed what they needed to do and then trialled ideas. They looked at the Blackpool Tower for inspiration of how to improve their own structures and learned about flying buttresses.

There are definitely some budding engineers in this class.
